THE BEST Hair restorative in the world is Hall's HAIR RENEWER. It cures all diseases of the scalp, and stimulates the hair glands to healthful action. It steps the falling of the hair; prevents its turning gray; cures baldness, and restores youthful color and freshness of appearance to heads aiready white with age. The following are a few illustrations of what is done by

HALL'S Vegetable Sicilian

Eg- Mrs. Hunsmerr, 344 Franklis Acc., Ersoltyn, N. Y., after a severe attack of Erystpleas in the head, found her hair-aiready gray—falling off so rapidly that she soon become quite bald. One bothe of Hall's Hall Renewer brought it back as soft, brown and thick as when she was a girl.

AF- Mr. Kenling, an old farmer, near Fersor, Ind., had careedy my hair left, and what little there was of it had become nearly white. One bottle of Hall's Hall Renewer stopped its falling out, and gave him a thick, tuxuriant head of hair, as brown and freah as be ever had.

AF- Mrs. A. T. Wall, Greenfield, Cheshire, Eng., writes: "I have found the greatest benefit from the use of Hall's Hall Renewer, it having restored my hair, which was rapily falling off, and returned its original color."

AF- Dn. Emil. Ship, Defroit, Mich., certifies that "Hall's Hall Renewer is excellent for hair growing, and gives back the natural color to faded and gray hair."

EF- Mrs. S. E. Elliott, Glenville, W. Va., mys: "One bottle of Hall's Hall Renewer, in the composition of Hall's Hall Renewer, mill it is not a dye. Its vegetable ingredients render it in the highest degree beneficial to the scalp as a preventive of discase. Its effects are natural and lasting, and it does not make the hair dry and brashy, like the so-called restoratives compounded with alcohol.

Buckingham's Dye

Buckingham's Dye FOR THE WHISKERS

Is, in four respects, superior to all others.

Ist—It will produce a rich, natural color, brown or black, as desired.

2d—The color is produced is permanent, cannot be washed off, and will not soil anything with which it comes in contact.

3d—It is a single preparation, and more convenient of application than any other hair or whisker dye.

4th—It contains no deleterious incredients, as do many preparations offered for like use. PREPARED BY R. P. HALL & CO., Nashua, N. H. Sold by all dealers in medicines.
